## Property Description

Just off the main road to the national park of Playa Grande lies this quiet yet welcoming business opportunity. Situated on a 4000m<sup>2</sup> lot and currently being operated as a BNB style Glamping accommodation this business has been doing very well. There are 6x tents, 4 sleeping 2 people on king beds and 2 sleeping 4 people over 2 king beds. The tents have a balcony area with seats and a hammock to the front. To the back of each tent is a private semi outdoor bathroom offering a wonderfully private tropical feel to each guest. Each tent was designed and manufactured specifically for this business using the most durable materials available, they are fitted with a small fridge and safe for valuables. In addition to the tents are the 3 solid wooden cabins made from local hard woods Teak and Pachote. The cabins are equipped to the same standard as the tents, all with king beds and the wonderful outdoor bathrooms.
