Property Description

Casa Santosha's location is its best feature. It sits in the heart of Samara downtown, just behind Intercultura language school and just steps to the beach. This makes a perfect income generating property. Rent out month to month to students from Intercultura, do shorter vacation rentals or keep the property for yourself; there's tons of possibilities. Casa Santosha is made up of 3 rental units, each one with their own loft bedroom, ensuite bathroom, kitchenette and balcony. This ¼ acre property has a ton of potential and room to grow in case the new owner would like to add a main home or more rental units. This property is a concession title due to its proximity to the beach. For more information contact nick@coldwellbankersamara.com
