Property Description

Welcome to Suenos III. This condominium is well known in the rental market and has for many years been giving owners in this complex great returns year on year. This particular ground floor unit benefits from a little extra covered space to the back of the kitchen when compared to some of the other units in the complex. This is currently used as storage for surfboards, bicycles and the dryer. The spacious kitchen, living and dining area were recently renovated and painted. The kitchen has a full size stove and hardwood cabinets with plenty of counter space. The dining area has a solid hardwood dining table suited for 6 or more people with 4 chairs and a bench. The living area has a sofa, 2 chairs and a TV area. There is a half ball on the ground floor. Upstairs we have the 2 bedrooms. Both have ensuite bathrooms, built in closets and new air conditioning units. The master bedroom has a queen bed and a balcony overlooking the pool area.
