Property Description

LAS PALMAS DE CAMORONAL - A COLDWELL BANKER SAMARA EXCLUSIVE LISTING Anyone considering building a hotel, a surf resort, a family compound, a condominium or a small residential development must see LAS PALMAS DE CAMARONAL. This spectacular ocean view property is situated on the only hillside bordering the "surfing mecca" of Playa Camaronal. Just a 5 minute walk down the hill brings you to the mouth of the Rio Ora for some great river rafting and some of the best shoreline fishing in the area. Then, 5-minutes more along the beach exposes you to the beauty and wonder that is the surf of Playa Camaronal. Long a secret coveted by locals and trusted gringos, Camaronal is home to some of the very best waves Costa Rica has to offer, as well as The Camaronal Wildlife Refuge, the nesting home to four of the seven existing species of sea turtles - the Olive Ridley, the Atlantic Leatherback, the Hawksbill, and the Black Sea Turtle, all endangered, frequent the shores of Camaronal.
