Property Description

765 acre operating cattle ranch in Central Pacific Costa Rica. Approx. 80% of the ranch is improved pasture running over 500 head of cattle, springs, creeks, 5 houses for employees and 2 big corrals. The property is ideal for a development and subdivide or as farm with cattle, farming. The property 1100 meters of road frontage on the costanera (Coastal Highway) highway with public roads in the interior. The property is very unique not only because of its size but because of the multiple building sites throughout the property and the multiple Pacific Ocean View plateaus. Dream property for any developer looking to have a beautiful development in the country but near all of the amenities of Manuel Antonio or Jaco.. it is the perfect property for any investor. Municipal electric power and water is now serving the farm, cellphone and phone service available in this area as well as satellite TV.
