Property Description

Situated in the Vista Tres Bahias Community of Los Sueños Resort & Marina, this 6,500 sq. ft. private executive retreat was built and is equipped for entertainment. Given its spacious comfort, it is perfectly suited for large groups of family, friends, corporate retreats and more. Secluded with panoramic jungle views, yet minutes from an abundance of resort amenities, Casa Pacifica is the perfect escape. The views are exceptional as the home sits atop one of the highest elevations in the resort with views of the rain forest and Herradura Bay. Vaulted bamboo ceilings and floor-to-ceiling windows lend a light and airy feeling to a luxurious, yet unpretentious home and every attention to detail has been given to accommodate even the most discerning traveler. Entertainment is the primary goal with Casa Pacifica's second story game room, which features a great bar, ice machine, wine bottle cooler, plasma TV and a custom billiards table.
