- Water Views

Property Description

NEW PRICE This is a great ocean view home site in the Ventanas 9 development of Ojochal. This 1/2 acre lot is on well maintained roads with only two short steep spots to get this view. The luxury of this lot is that you have front AND back views which is a rarity on many lots. Views of Tres Hermanas are off in the distance and towards the south, some spectacular valley vistas highlighting the multitude of colors of a typical Costa Rican landscape. Minutes away from Playa Ventanas as well as fantastic restaurants in the nearby town of Ojochal are nice to have around when you just don't feel like cooking and feel like a nice night (or afternoon) out. Come and see why many say that this is the most beautiful area in all of Costa Rica; and that it is still accessible and affordable! THIS PROPERTY MUST SELL THIS YEAR.....make me an offer! Contact Victor Guerrero for your personal viewing of this beautiful property.
