Property Description

Puertocito Point is a private 12-acre oceanfront estate featuring a luxurious villa and guest house, both extensively renovated during the past 24 months. The property sleeps up to 9 guests in four suites plus a futon. The Point is situated atop a cliff as close to the ocean as allowed by law, and the unobstructed 180-degree Pacific Ocean views are simply breathtaking. The grand palm lined drive guides you past the Guest House to the Main House, a unique Guatemalan style villa with expansive rear decks overlooking the Pacific. You enter the villa through a pair of grand hand-carved wooden doors leading into a lush tropical courtyard and then into the villa itself. Enter the great room with its majestic indoor/outdoor open floor plan and 25-foot ceilings. Proceed through the living areas to the decks with dazzling 180-degree infinite ocean vistas and warm sunsets. The property is paradise found with all that Costa Rica has to offer without ever leaving the estate.
