Property Description

Fabulous beach home in Central Cabo Matapalo just steps to the Matapalo surf with beach and white water views from the large, wrap around deck and built-in swimming pool. Built in 2008, this luxurious and spacious 2-story home with attached private suite has 3 bedrooms and 3.5 baths with all the comforts of home, nestled in a tropical rainforest setting. This is a new home, custom built by Costa Rican craftsman that has everything you want in the jungle with peace, serenity and views of the ocean from every place in the home. There is world class surf for all levels. You will fall asleep to the soothing sounds of the waves and wake up with the chants of the howler monkeys. There is an upstairs open air observation deck with a double hammock to kick back, read a book and watch the ocean, wildlife, and surf. Play games or have a good conversation in the living room. The dining area seats eight, there is a full stocked kitchen, dipping pool, sprawling deck, fire up a BBQ, watch a whale show from the beach or just to relax as you are surrounded by the rain forest and views of the ocean and Panama across the gulf.
