Property Description

49.5 acre property with ocean and panoramic views less than 8 miles to the Coastal highway near beaches of Dominical, Playa Hermosa and Uvita. Multiple building sites, all with ocean views, forest and over 3000 feet of border along a creek with swimming areas on lower end of property. Road and electric access, spring on property and municipal water hook-up. Internal access road needed. Ideal climate at 2155 feet above sea level. Mango, citrus and banana, peach palm and sapote trees plus old valuable hardwood home at entryway of property that could be used to house workers during construction. Nearby rental available if needed during construction period.
